A PARTNERING CREDIT UNION

ANNUAL REPORT

DOLLAR\$ & \$ENSE

FROM THE CHAIRMAN AND CEO

As a community-focused credit union, our goal is to know each of our members and to provide support and assistance wherever you may be on your financial journey. We always keep your best interests in mind when making decisions regarding technology upgrades, product and service offerings, loan rates and savings dividends. Our priority is to always deliver exceptional partnering experiences while remaining financially healthy. Ultimately, we exist to serve you. It's that simple.

HIGHLIGHTS FROM 2018

FINANCIAL SUCCESS:

- We continued to show strong loan growth - over 18%, while keeping delinquency and charge-offs in check.
- We maintained a strong net worth position. Net worth serves as a buffer to absorb unexpected changes in earnings (such as those created by the Great Recession). Our net worth ratio of 12.3% was well above the regulatory threshold of 7% for an adequately capitalized institution.

SECURITY/ACCURACY:

- Cybersecurity continued to be a challenge as fraudsters were ever more creative in facilitating cybercrime. FFCU had strong IT audits which tested for firewall vulnerabilities.

ONLINE SERVICE DELIVERY:

- The implementation of **Credit Sense** as a FREE add-on to online and mobile banking was well received. Members now have easy access to their latest credit score, helpful suggestions for building and maintaining good credit, and loan offers particular to their situation. Credit Sense also monitors members' credit reports for signs of fraud and identity theft.
- We updated our online loan and checking account application platform, making it easier for members to apply from home.

OUTREACH:

Financial Literacy Seminars

- o As part of our commitment to member education, we offered several free seminars to the public covering topics like home buying, car buying, budgeting, credit building and more.

Hispanic focus

- o We value the diversity in Aurora and among our membership. As part of our commitment to serving the Hispanic community we feel it's important to participate in events celebrating their culture. This year, we sponsored both the **City of Aurora's Globalfest** and **Dia de los Muertos** celebration.
- o 33% of our staff is bilingual (up from 26% in 2017)

ROBERT FRYBERGER
President/CEO

On behalf of the board of directors and the staff of Fitzsimons Credit Union, we thank you for your continued support. It is our privilege and honor to serve you.

LOOKING AHEAD

TECHNOLOGY:

In addition to keeping our members' information secure, we are always looking for ways to simplify doing business with us. In the next 12 months we will be implementing several add-ons and improvements to our technology and computing infrastructure. These include:

- **Zelle** (through online/mobile banking) - a fast, safe way to send money to friends and family.
- Fitzsimons debit cards will soon work with **Apple Pay/Samsung Pay**
- We are upgrading our **ATMs** - easier access to your money
- **Credit card** program - more spending flexibility
- Self-service **wire transfers** through online banking
- **Website redesign** with intuitive navigation and improved self-service functionality
- **Online loan payments**

Of course, adopting new technology requires a significant investment of time, money and labor. But we are confident that the benefits to our members justify the expense. By leveraging new technology, opening an account, getting a loan, making a payment, and finding information will be easier than ever.

ECONOMY:

The Federal Reserve raised interest rates four times during 2018. That makes nine rate increases since late 2015. Fitzsimons management regularly monitors the credit union's interest rate risk position to mitigate exposure to a rising rate environment. We will continue to monitor this closely in 2019 and make adjustments for the good of the credit union and our membership.

FINANCIAL LITERACY:

Statistics show that young adults (and older ones, as well) have limited knowledge about how money works. To address this knowledge gap, we will be making a series of financial literacy video courses available online in addition to offering seminars and hosting live panel discussions related to saving, spending, borrowing and investing in your future.

Credit Union Difference

Fitzsimons Credit Union has proudly served Aurora since 1955 and offers a full range of banking products and services to help you on your financial journey. Credit Unions serve as an alternative to the for-profit banking system, which means we are owned and operated by member account holders just like you, not shareholders on Wall Street.

Your Vote Counts

We are all about democracy! Our member-based board of directors serve voluntarily and are elected by you to ensure that we are serving our members to the best of our ability.

Your Funds are Insured

That's right! Your funds are insured up to \$250,000 by the NCUA (National Credit Union Association). So no matter what happens in the economy, you can sleep peacefully knowing your money is safe.

Lower Loan Rates & Higher Savings Rates

We are a co-op, not a corporation. As a not-for-profit, any profit we make goes back to you in the form of competitive rates and lower fees. Ensuring you a fatter piggy bank.

Nationwide Access

As a credit union member, you are part of the 2nd largest network of physical branch locations in the nation AND you have access to over 30,000 surcharge-free ATMs in locations where you already shop, like 7-Eleven and Costco.

Giving Back in 2018

Raised \$810 for Children's Miracle Network

Put 2,289 members into a vehicle

Funded \$10,000+ in sponsorships for local schools and non-profits

Collected \$1,055 for the Civitan Club

Helped 25 members purchase a home

Awarded \$5,000 in scholarships to 6 deserving students

It Pays To Be a Kid

We know you want the best for your little ones, that's why we started the Savvy Savers program. Our youth accounts are a great way to introduce your children to sensible saving, budgeting, and spending.

Interest Bearing Savings Accounts

Give your little one a head start with a youth savings account that earns interest. You can open an account for a child as young as one day old.

Yearly Birthday Checks (Ages 2-12)

Each year, during their birthday month, Savvy Savers receive a birthday check (equal to their age) to deposit into their Savvy Savers Account.

Matching Deposit Specials

We want to help your Savvy Saver reach their goals. Every April (Youth Month) and periodically throughout the year we will match deposits up to a certain \$ amount.

Teen Checking Accounts

Upon turning 13, Savvy Savers are eligible to open a Teen Checking Account with an adult co-signer. Your teen can even have their own Visa debit card.

Scholarships

Members pursuing an associate's or bachelor's degree at a two- or four-year accredited college can apply for the Sandra B. Neves Scholarship (\$500 - \$5000).

Financial Literacy Opportunities

We pride ourselves on educating the next generation. Check out a Biz Kid\$ dvd set from one of our branches or give us a call and we'll tailor a presentation specifically for your class or club.

College Scholarship

Woo hoo! You got into your dream college and received a \$1,000 scholarship from Fitzsimons CU. Collect \$1,000 and move ahead 1 space.

Start Your Career

You graduated and landed your first full-time job. Set up direct deposit into one or more accounts. Roll the dice to determine your salary.

Accidents Happen

You break a leg while rock climbing and have no emergency savings to cover the ER bill. You get a great rate on a personal loan from Fitzsimons CU. Skip a turn while you heal.

Treasurer's Report

Fitzsimons Credit Union finished 2018 with strong loan growth and an improved return on assets ratio, compared to 2017. The credit union remained well capitalized for 2018. The net worth ratio of 12.3% was well above the 7.00% minimum threshold, and is considered a well-capitalized credit union by the National Credit Union Administration (NCUA). A strong net worth position provides the credit union a solid foundation to offer its members competitive products and services.

A sound lending program is crucial toward meeting the credit union's financial goals and needs of our members. Loans are a critical element of Fitzsimons' financial performance because they provide a majority of the credit union's interest income. In 2018, total loan balances increased over 18%, and loan interest income increased 30%, providing revenue for operating expenses, loan losses and dividends to the membership. Fitzsimons continues to offer competitively priced lending options and work with members in need of financial assistance.

Total member funds deposited with the credit union remained flat in 2018; however, sufficient liquidity from the investment portfolio was adequate to sustain loan growth.

Our main area of focus for 2019 will be to increase lending to the membership while minimizing loan losses and managing expenses. The Federal Reserve increased the target Federal Funds rate four times during 2018 and there are mixed opinions about further increases in the near term. Regardless of the trajectory of future interest rates, the credit union remains committed to operating soundly and serving our membership. Your board and management makes operating a safe and financially sound credit union a high priority, preserving the credit union's strong net worth position by not taking unwarranted risks. We thank our member-partners for their continued support and loyalty.

Sincerely,

Judy A. Thomas
Board Treasurer

Independent Auditor's Report

To the Members of Fitzsimons Credit Union
Aurora, Colorado

We were engaged by Fitzsimons Federal Credit Union to perform an independent audit of the Credit Union's financial statements for the year ended September 30, 2018. We have issued our independent auditor's report dated January 14, 2019.

In the independent auditor's report we expressed an unmodified opinion on the Credit Union's financial statements. An unmodified opinion states that the financial statements present fairly, in all material respects, the financial condition of the Credit Union as of September 30, 2018, and the results of its operations and cash flows for the year then ended.

A full copy of the independent auditor's report and audited financial statements is available from the Credit Union upon request.

Sincerely,

Doeren Mayhew

CPAs AND ADVISORS

SUPERVISORY COMMITTEE REPORT

The National Credit Union Administration (NCUA) requires that the supervisory committee ensure that the board of directors and management of Fitzsimons Federal Credit Union (FFCU) meet required financial reporting objectives and establish practices and procedures sufficient to safeguard members' assets. In satisfying this requirement, the supervisory committee assures that (1) internal controls are in place and effectively maintained, (2) accounting records and financial reports are accurate, and (3) plans, policies and controls are properly administered by the board to safeguard against error, conflict of interest, self-dealing and fraud.

First engaged in 2016, Doeren Mayhew CPAs and Advisors conducted the 2018 annual opinion audit and expressed an unqualified opinion on the credit union's financial statements for the period ending September 30, 2018. The purpose of the opinion audit is to review the credit union's accounting records and financial reports in accordance with auditing standards generally accepted in the United States of America. Those standards require that the auditors plan and perform the audit to obtain reasonable assurance that the financial statements are free from material misstatement. A component of the opinion audit includes performing a verification of members' accounts against the credit union's records. The independent auditors' report indicates the audited financial statements as of September 30, 2018, present fairly, in all material respects, the financial position of the credit union.

The unaudited financial statements as of December 31, 2018, as listed in the annual report cannot be verified by the supervisory committee; however, there have been no material changes in accounting policies or management of the credit union that would cause concern.

In addition to the annual opinion audit, the supervisory committee engaged Holben Hay Lake Balzer CPAs LLC, to conduct quarterly audits of the credit union's internal controls. Internal controls include operating procedures, staff structure and other measures within the credit union to safeguard member assets. They also ensure the accuracy and reliability of accounting data, and compliance with board policies. Good internal controls minimize the possibility of undetected fraud and errors.

Your credit union received a variety of audits/examinations in 2018 that were reviewed by the supervisory committee. I am pleased to report there were no material misstatements or findings as a result of those audits or examinations. Management cooperated fully with the supervisory committee, examiners and auditors. They responded promptly and seriously considered any recommendations that resulted from these audits/examinations.

It has been a pleasure serving the FFCU membership. Additionally, we thank the board of directors, the management and staff for their support and cooperation in assisting the supervisory committee carry out its responsibilities to the membership.
