ACCOUNT DISCLOSURES

Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. RATE INFORMATION — The annual percentage yield is a percentage rate that reflects the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For Savings, Youth/Teen Savings, IRA Savings, and Money Market Advantage accounts, the dividend rate and annual percentage yield may change at any time as determined by the Credit Union's Board of Directors. The dividend rates and annual percentage yields are the prospective rates and yields that the Credit Union anticipates paying for the applicable dividend period. Money Market Advantage accounts are tiered rate accounts. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. For tiered accounts, each dividend rate will apply only to that portion of the account balance within each balance range.

2. PARTNER REWARDS CHECKING — For Partner Rewards Checking accounts, you may qualify for monthly rewards if you meet the applicable minimum qualification requirements for the monthly qualification cycle. To meet the minimum qualification requirements, you must: 1) make 15 debit card purchases that post and settle your account. The monthly qualification cycle is defined as the first day of the calendar month through the last day of the calendar month. Account transactions may take one or more business days from the date the transaction was made to post and settle to the account. All transitions must post and settle during the monthly qualification cycle in order to qualify for the accounts reward.

You will receive $0.25 cash back on debit card purchases that post and settle to your account if you meet the minimum qualification requirements during the monthly qualification cycle. A maximum of $10.00 cash back may be earned per monthly qualification cycle. In addition, we will refund up to $25.00 in ATM fees assessed at nationwide ATMs we do not own or operate. ATM refunds will be paid on the last business day of the calendar month. If you do not meet all of the minimum qualification requirements during the monthly qualification cycle, you will not earn a cash back reward and ATM fees will not be refunded to you.

3. ELITE ADVANTAGE CHECKING — The Elite Advantage Checking account is a tiered rate account. The first dividend rate and annual percentage yield listed in the Rate Schedule will apply if you balance is $10,000.00 or below. The second dividend rate and annual percentage yield listed for this account will apply if your balance is $10,000.01 or greater. Each dividend rate will apply only to that portion of the account balance within each balance range. In addition, you will receive up to 10% cash back in PIN-based/signature-based debit card purchases that post and settle to your account. A maximum of $80.00 cash back may be earned per year.

4. NATURE OF DIVIDENDS — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

5. DIVIDEND COMPOUNDING AND CREDITING — The compounding and crediting frequency of dividends and the dividend period applicable to each account are stated in the Rate Schedule. The dividend period is the period of time at the end of which an account earns dividend credit. The dividend period begins on the first calendar day of the period and ends on the last calendar day of the period.

6. ACCRUAL OF DIVIDENDS — For all earning accounts, dividends will begin to accrue on noncash deposits (e.g. checks) on the business day you make the deposit to your account. For Savings, Youth/Teen Savings, IRA Savings, and Money Market Advantage accounts, if you close your account before accrued dividends are credited, you will not receive the accrued dividends.

7. BALANCE INFORMATION — To open any account, you must deposit or already have on deposit the minimum required share(s) in any account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For IRA Savings and Business Checking accounts, there is a minimum average daily balance required to avoid a service fee for the dividend period. If the minimum average daily balance requirement is not met, you will be charged a service fee as stated in the Schedule of Fees and Charges. For Savings, Youth/Teen Savings, and IRA Savings accounts, there is a minimum average daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum average daily balance requirement is not met, you will not earn the annual percentage yield stated in the Rate Schedule. For Money Market Advantage accounts, there is a minimum daily balance required to earn the annual percentage yield disclosed for the dividend period. If the minimum daily balance requirement is not met each day of the period, you will not earn the annual percentage yield stated in the Rate Schedule. For accounts using the average daily balance method as stated in the Rate Schedule, dividends are calculated by applying a periodic rate to the average daily balance in the account for the dividend period. The average daily balance is calculated by adding the principal in the account for each day of the period and dividing that figure by the number of days in the period. For accounts using the daily balance method as stated in the Rate Schedule dividends are calculated by applying a daily periodic rate to the principal in the account each day.

8. ACCOUNT LIMITATIONS —For Savings, Youth/Teen Savings, IRA Savings, Money Market Advantage, Essential Checking, Partner Rewards Checking, Elite Advantage Checking, and Business Checking accounts, no account limitations apply.

9. FEES FOR OVERDRAWING ACCOUNTS — Fees for overdrawing your account may be imposed on each check, draft, item, ATM transaction and one-time debit card transaction (if member has consented to overdraft protection plan for ATM and one-time debit card transactions), preauthorized automatic debit, telephone initiated withdrawal or any other electronic withdrawal or transfer transaction that is drawn on an insufficient available account balance. The entire balance in your account may not be available for withdrawal, transfer or paying a check, draft or item. You may consult the Membership and Account Agreement and Funds Availability Policy Disclosure for information regarding the availability of funds in your account. Fees for overdrawing your account may be imposed for each overdraft, regardless of whether we pay or return the draft, item or transaction. If we have approved an overdraft protection limit for your account, such fees may reduce your approved limit. Please refer to the Schedule of Fee and Charges for current fee information.

For ATM and one-time debit card transactions, you must consent to the Credit Union's overdraft protection plan in order for the transaction amount to be covered under the plan. Without your consent, the Credit Union may not authorize and pay an overdraft resulting from these types

of transactions. Services and fees for overdrafts are shown in the document the credit union uses to capture the member's opt-in choice for overdraft protection and the Schedule of Fees and Charges.

10. MEMBERSHIP — As a condition of membership, you must purchase and maintain the minimum required share(s) as set forth below.

Par Value of One Share	$5.00
Number of Shares Required	1

11. RATES — The rates provided in or with the Rate Schedule are accurate as of the effective date indicated on this Truth-in-Savings Disclosure. If you have any questions or require current rate information on your accounts, please call the Credit Union.

12. FEES — See separate Schedule of Fees and Charges for a listing of fees and charges applicable to your account(s).
